Delivery Order	Good delivery order will be submitted in specified format giving details of Members / Registered Non-Members who shall perform delivery. Each delivery order issued shall be in multiples of minimum delivery lots and shall be designated for only one delivery center and one location in such center. It will be accompanied with Warehouse Receipt, Invoice and Good Delivery Quality Certificate valid at least for 1 month after the expiry of the contract, as per contract specifications from Exchange designated certifier, Delivery order once submitted cannot be withdrawn or cancelled or changed unless so agreed by MCX in writing. Members tendering the delivery order shall clearly specify the grade and shall be in conformity with the surveyor's certificate accompanied with the delivery document and cannot be changed subsequently.
Delivery Grades	The members tendering delivery will have the option of delivering such grades of goods as permitted by the Exchange under the contract specifications. The Buyer will not have any option to select a particular grade and the delivery offered by the seller and allocated by the Exchange shall be binding on him.
Evidence of Stock in possession	At the time of issuing the delivery order, the member must prove to the Exchange that he holds stocks of the quantity and quality specified in the delivery order at the declared delivery center. This should be substantiated by way of

	producing warehouse receipt
Endorsement of Delivery Order	The Buyer member can endorse delivery order to a client or any third party with full disclosure given to MCX. Responsibility for contractual liability would be with the original assignee.
Sampling and Analysis at the time of Delivery	In case the buyer does not agree to the Surveyor's report as to the quality of the commodity, he shall desire for second sampling and intimate the Exchange in writing within 48 hours of the pay-out date.
Sampling Procedure	<p>The system of drawing of samples tendered for delivery will be as prescribed in the Bureau of Indian Standards procedure. Three Samples shall be drawn as under:</p> <ul style="list-style-type: none"> • First Sample – for the buyer • Second Sample – for the seller • Third Sample – for final reference, if necessary <p>If the first sample collected by the Buyer and analyzed by the surveyor appointed by him, conforms to the specifications, then the goods tendered for delivery shall be accepted and no subsequent claims from the Buyer regarding quantum of rebate or any other indemnification shall be admissible nor sellers shall be obliged to pass any sealed samples to the Buyer if requested subsequently. The sampling methods to be adopted for analysis will be decided by the Exchange.</p>
Failing of First Sample	If the first sample as examined by the buyer's surveyor fails to conform to the quality standards specified, the Buyer shall intimate the seller within 72 hours of collection of sealed sample along with a copy of the analyst's report. The seller shall immediately send the second sealed sample to an approved laboratory, which is also agreed by the buyer. The result of the same shall be binding on both the parties. In the event the Buyer and Seller do not mutually reach agreement with the results of the second sample test, then MCX shall send the third sealed sample to any one of the approved laboratories / surveyor, as decided by the Exchange.
Final Surveyor's Report	The analyst's report of the approved and agreed independent laboratory shall be forwarded by MCX to the parties immediately on receipt of the same. In such case, the final payment to the seller will be made on the basis of test report received by the Exchange pursuant to the third test. The Exchange will also direct the party, in whose favour the result is declared to collect the cost of tests and detention charges from the other party. In case the commodity stands rejected then it will tantamount to failure on the part of the seller to give delivery, which shall be closed out as per the Due Date Rate treating the same as shortage.
Obligations of the Independent Analyst	In order to ensure that tests are exactly comparable and that the results are consistent, the independent analyst shall determine the particular analytical test by applying the methods specified in relevant IS. The analyst shall be required to append a certificate to that effect to the analysis report

	issued by him.
Legal Obligation	The member will provide appropriate tax forms wherever required as per law and as customary and neither of the parties will unreasonable refuse to do so.
Extension of Delivery Period	As per the Exchange decision due to a force majeure or otherwise.
Applicability of Business Rules	<p>The general provisions of Byelaws, rules and Business Rules of the Exchange and decisions taken by Forward Markets Commission, Board of Directors and Executive Committee of the Exchange in respect of matters specified above will form an integral part of this contract. The Exchange or FMC as the case may be, may further prescribe additional measures relating to delivery procedures, warehousing, quality certification, margining, and risk management from time to time.</p> <p>The buyer shall have to lodge their claim against quality of goods / delivery allocated to them, if any, within 48 hours from the date of scheduled pay out of the Exchange and failing which, no claim shall be entertained by the Exchange thereafter.</p> <p>(The interpretation or clarification given by the Exchange on any terms of this contract shall be final and binding on the members and others.)</p>
